

Desert X

Desert X 2021 – The Film is a documentary and a filmic catalog to allow audiences from around the world to enjoy the [Desert X](#) exhibition in the Coachella Valley.

The story of Oasis Palms is the story of every small town in America. They are born, they die, they are forgotten and then they are memorialized. The only remaining artifact of Oasis Palms and the Oasis Palms Scenic Railroad

is the [Desert-X](#) style art installation in La Quinta CA. Conceptualized in 2020, the construction of this kinetic art installation began in the fall of 2022. To learn more, [read the blog about the building of the Oasis Palms layout](#).
